Brief description of the issue (if you need more space, attach a separate sheet):

I was interviewed with my family on May 2018. For more than 1000 days, I have been waiting for my asylum decision. Meanwhile, my daughter is attending Rutgers University SEBS and due to her academic achievements she received a full-ride. Because our asylum is pending, she is seen as an international student and cannot use her scholarship.

Because of our pending status, I also have issues with my EAD card. I applied for renewal 10 months ago (4 months before the expiration date) and still haven't received my new EAD card. I recently got a job offer, however if I don't receive my new EAD card in a month, I am subject to losing my job. I have 4 dependents and am living my life in very hard conditions as an immigrant. I am begging for your assistance on this matter as soon as possible because mine and my family's future and well-being depend on this. Thank you.
